

Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet telling all about it, including many of the thousands of testimonials letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

Don't make any mistake, but remember the name, **Swamp-Root**. Dr. Kilmer's Swamp-Root, and the address Binghamton, N. Y., on every bottle.

Men who look to the future will not delay much longer in securing title to the many acres of yet cheap and fertile lands in Texas. Many of the rich men in Texas today are those who bought land when it was cheap and held it, making interest on it as it increased in value. All the productive land in Texas will in the future sell for more money than present values.—Texas Stockman and Farmer.

Cured Hemorrhages of the Lungs.

"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake, of Wood, Ind., "I took treatment with several physicians without any benefit. I then started to take **Foley's Honey and Tar**, and my lungs are now as sound as a bell. I recommend it in advanced stages of lung trouble." **Foley's Honey and Tar** stops the cough and heals the lungs, and prevents serious results from a cold. Refuse substitutes, **J. F. Crow Drug Co.**

Somehow or other the rest of the world hates to see a man who is satisfied with himself.

Constipation makes the cold drag along. Get it out of you. Take **Kennedy's Laxative Honey and Tar** cough syrup. Contains no opiates. **The J. F. Crow Drug Co.**

W. C. T. U. COLUMN.

Edited by MRS. M. A. BENEFIELD.

The W. C. T. U. will meet with Mrs. Allan Urquhart Thursday, June 7th, at 3:00 p. m. This being the day for the annual election of officers, all members are urgently requested to be present.

Dear Mrs. Benefield and W. C. T. Union;

We want to say that our Union is in sympathy with yours, as all true white ribboners are with each other in the grand work in which we are enlisted; to cheer the weak, raise the fallen, to rescue the poor drunkard and restore him and his family to an independent living and to society again; and to abolish the liquor traffic from this land and from all lands; and to demonstrate christian principles by works and right living.

The White Ribbon life could properly be termed "Christianity in earnest."

We sympathize with you particularly because of the hard struggle you are having for Purity, Righteousness and Temperance. For we waste not against flesh and blood, but against principalities and powers, spiritual wickedness in high places.

Let us win something of the battle you are waging by our own experience.

We worked and prayed for years for our town, and we want to say right here that we are still on the battlefield; the same faith and work that obtains prohibition are necessary to retain it. "Eternal vigilance is the price of peace" and "woe be unto them that are at ease in Zion." And we are glad to say that we love this warfare, we are thankful to be soldiers for our King, and He greatly rewards us for all the work we do for Him. He commands us to be strong in the Lord and in the power of His might for the battle is not ours but His; that He will supply all of our needs according to His riches, that He is more willing to give than we are to receive.

Oh! this is a glorious warfare! Dear sisters, let us press forward on our knees, let us fast and pray and never doubt that He will give us the victory.

We are praying for you; and we are so glad to see in the JIMPLECTE that Bro. Sid Williams is to hold a meeting for you soon. Now let all come together in that meeting and work and pray for great results, that the blessed Holy Spirit may drive away the powers of Darkness and deliver the town from their galling chains. The Temperance work knows no denominational lines, it harmonizes and unites christians more than anything else, as our senior editor said at a social meeting shortly after the W. C. T. was organized, "In all my 25 years work in Atlanta I have never before seen such unity and harmony among the people."

And they were all of one accord in one place and the Holy Ghost fell upon them and 3000 souls were saved in one day.

Now we propose to unite with you in prayer and to fast and pray every Friday morning until the Lord grants our petition and gives you prohibition and a righteous town. He has all power and He can work on the hearts of the people, on the voters and make them work for prohibition. He can clear the town of those enslaving, soul and body destroying places, cut the chains of the prisoners and set the captives free.

Praise His name!

But it may be that such as this comes only by fasting and prayer. We fasted and prayed every Friday, a few of us, for more than six months before we could "get a move" on the men. But they did finally make a start and had the backbone to stand up to their convictions, we are proud of and thankful for them. You know it is natural for women to love brave men.

The men of Marion county need to be aroused, convicted of their duty and privilege and then they will show of what kind of metal they are made.

Men generally are so engrossed with their business interests they do not take time to think seriously of these ethical duties; and it is the privilege of the weaker sex, (weaker physically but not spiritually or morally) to be the power behind the throne and persuade and "chuck them up" to their duty.

May the Lord bless you and prosper you in this undertaking. Yours in His work,

TRADE MARK.

Holds the World's Record.

Mrs. W. G. Taylor holds the world's record as the fastest writer of shorthand in a given time. Mrs. Taylor, without any previous knowledge of shorthand, after four weeks study, wrote 150 words of new and difficult matter to the minute. This is by far the greatest record ever made in so short a time.

The Byrne Simplified Shorthand is the only system published that possesses such wonderful speed possibilities together with legibility. The average student will make a proficient stenographer with this system in three months. Those who are apt will learn it in much less time. For example, C. H. Hallmark, wrote 164 words of new matter, court reporting, after 31 days study; Angus Wynn 130 words in 30 days; Miss Ida Johnson 225 words in eight weeks. Examples too numerous to mention might be added.

The Tyler Commercial College, Tyler, Texas, will gladly send you free its large illustrated catalogue explaining the advantages of this wonderful system of shorthand, also their practical methods of teaching bookkeeping and business training, typewriting and telegraphy.

It is a good medicine to have in the home and is widely known for its cures of diarrhoea and all forms of bowel trouble. For sale by all druggists.

The Very Best Remedy for Bowel Trouble.

Mr. M. F. Borroughs, an old and well-known resident of Bluffton, Ind., says: "I regard Chamberlain's Colic, Cholera and Diarrhoea Remedy as the very best remedy for bowel trouble. I make this statement after having used the remedy in my family for several years. I am never without it." This remedy is almost sure to be needed before the summer is over. Why not buy it now and be prepared for such an emergency? For sale by all druggists.

Dear Sirs:—I have tried a great many Chill remedies, but have found none equal to Hall's Chill Cure for Malaria. A few years past I had a severe attack of Chills and Fever and took many kinds of Chill cures, but they did no good and I just had to wear them out. They commenced on me last year the same way, but in a worse form. A friend recommended Hall's Chill Cure and I took it. It broke up the Chills and Fever and stopped them entirely. Whenever I hear of anyone having Chills or Malaria, I tell them Hall's Chill Cure will make them well if they will take it. I never can say enough for Hall's Chill Cure.

Yours truly, Mrs. Fred Lightner.
